

Elemental ecology: towards an element-based functional ecology (STOIKOS)

Kick-off meeting (11/01/2024)

Program:

Thursday 11th January 2024

10 to 10.30. Meet-up and informal chat at Sala de Reunions (CREAF, floor +1)

We'll provide some drinks and biscuits. As we are trying to be environmentally friendly, we won't provide cups for the drinks, so make sure to bring your own cup to the meeting!

10.30 to 11.00. *Marcos Fernández:* Overview of the STOIKOS project: theory, objectives and working packages.

11.00 to 12.00. Presentation of the team members (background and future work):

Dr. Roger Grau (Researcher, project manager)

Dr. Xin Song (Postdoctoral researcher)

Dr. Écio Diniz (Postdoctoral researcher)

Dr. Zhenhong Hu (Beatriu de Pinós postdoctoral researcher)

Alba Martín (Lab technician)

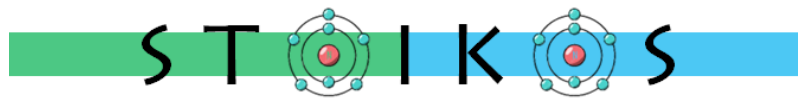

Eladio Rodríguez (PhD student)

Filipe Andrade (PhD student)

Dr. Arnald Marcer (Researcher)

Dr. Roberto Molowny (modelling technician)

12.00 to 13.30. Brief presentation of the collaborators (contribution to STOIKOS), networking and informal chat until lunchtime.
